It is not necessary to use password. Please click the zoom link to join the class Directly

The online Zoom class is scheduled as the original section time. The link is the same every week unless notified otherwise. There is no need to ask for a new link each week.

A computer with a webcam and a microphone is required. Typically, a laptop should have all the required equipment.

Students **MUST** use Full Name to attend the online Zoom class.

During the online zoom session, students are required to turn on their camera. This will help the teacher to better facilitate the classroom. If there is any concern in regard of this, please inform us at info@meritusacademy.ca.
